Come Home to Nash
Engineered for your total camping pleasure

Ron & Sherry Nash
Invite You to Step Inside & Enjoy Convenient Comfort

Each NASH Travel Trailer and 5th-Wheel offers a spacious work space in the galley for food preparation. All units feature extra large ranges with 22" broiler/ovens and range hoods with overhead light and exhaust fan, and are pre-wired for a microwave oven. Self-edged countertops and tables are standard, and a free-standing dinette unit is a popular option.

Store everything you'll need in ample overhead and under counter cupboards, shelves and drawers. Practicality is found in each bathroom design as well as many popular options.

A bath skylight dome, large lavy bowl, and bathroom window are all available to personalize your vacation home. All models include mini-blinds, privacy pull shades and coordinating valance/soft lambrequin treatments on windows.

Choose an inner-spring sofa, or a gaucho sofa which features an additional full-size bed. Every NASH Travel Trailer and 5th-Wheel offers a choice of beautiful designer colors and fabrics.

Personalize your bedroom with a choice of queen, double or twin beds.

Overhead compartments feature beveled mirrors and radius finished edges. It is this kind of attention to detail that continues to set NASH apart from the pack.

To further add to your travel experience, all NASH units are pre-wired for TV antenna, cable TV with park receptacle and roof air conditioning.

Rugged Northwest Nash's also available in a hardwall.

The truss roof system is topped and sealed by laminating the one-piece rubber roof to 3/8-inch plywood. A channel or I Beam...
...roomy dining and living area with insulated flush-floor and slide-out overheads

Steel chassis is featured as well as double primed welds coated with Rustoleum® paint to protect against rusting.

Windows are radius cornered and have interior fasteners for your security. R-7 insulation is standard in all walls and floors while R-18 insulation blankets the ceiling (a NASH exclusive). Each Travel Trailer and 5th-Wheel is equipped with extra large freeze resistant water lines and 4-1/2-inch sewer hose carrier bumper.

NASH trailers have larger tire sizes and heavier axles which make them exceptionally well suited to off road adventuring. Electric four wheel brakes, chrome lug nuts and wheel centers are standard features adding to the safety and beauty of every NASH Travel Trailer and 5th-Wheel.

You’ll enjoy extra large freshwater, grey and solid waste tanks which allow you to maximize your time between dumping stations. Dual 40-lb. LPG bottles with automatic changeover can be found on select models. Retractable entry steps, a flush mount entry door lock complete with deadbolt and screen door are standard convenient security features.

Come Home to Nash

NASH 2001 Travel Trailers and 5th-Wheels are rated the safest most durable units in their class. Whether you’re hunting, camping, working or adventuring you’ll find every floor plan to be functional and convenient. Look over the specifications, and notice the care NASH has taken to assure that quality, high-end components are built into every NASH Travel Trailer and 5th-Wheel. Now you can give your family a home away from home they truly deserve. Come home to NASH.

Engineered for Your Family’s Total Camping Pleasure

Three decor choices—teal, blue, or sand.
Booth dinette and optional hide-a-bed available in most slide out models.
