Come Home to

Nash
Each NASH Travel Trailer and 5th-Wheel offers a spacious work space in the galley for food preparation. All units feature extra large ranges with 22" broiler/ovens and range hoods with overhead light and exhaust fan, and are pre-wired for a microwave oven. Self-edged countertops and tables are standard, and a free-standing dinette unit is a popular option.

Store everything you'll need in ample overhead and under counter cupboards, shelves and drawers. Practicality is found in each bathroom design as well as many popular options.

A bath skylight vent w/fan, large lavy bowl, and bathroom window are all available to personalize your vacation home. All models include mini-blinds, privacy pull shades and coordinating valance/soft lambrequin treatments on windows.

Choose an inner-spring sofa, or a gaucho sofa which features an additional full-size bed. Every NASH Travel Trailer and 5th-Wheel offers a choice of beautiful designer colors and fabrics.

Personalize your bedroom with a choice of queen, double or twin beds.

Overhead compartments feature beveled mirrors and radius finished edges. It is this kind of attention to detail that continues to set NASH apart from the pack.

To further add to your travel experience, all NASH units are pre-wired for TV antenna, cable TV with park receptacle and roof air conditioning. A 12-volt interior lighting system is standard as are 12-volt patio, hitch and waste dump lights.

Vacationing with nature offers a unique experience. NASH Travel Trailers and 5th-Wheels offer the answer. You'll appreciate the special emphasis on construction and outside features designed to provide strength and durability. All models use solid woods in favor
of particle board, with floors constructed of 5/8" exterior tongue and groove plywood.

The truss roof system is topped and sealed by laminating the one-piece rubber roof to 3/8-inch plywood. A channel or I Beam steel chassis is featured as well as double primed welds coated with Rustoleum® paint to protect against rusting.

Windows are radius cornered and have interior fasteners for your security. R-7 insulation is standard in all walls and floors while R-18 insulation blankets the ceiling (a NASH exclusive). Each Travel Trailer and 5th-Wheel is equipped with extra large freeze resistant water lines and 4-1/2-inch sewer hose carrier bumper.

NASH trailers have larger tire sizes and heavier axles which make them exceptionally well suited to off road adventuring. Electric four wheel brakes, chrome lug nuts and wheel centers are standard features adding to the safety and beauty of every NASH Travel Trailer and 5th-Wheel.

You'll enjoy extra large freshwater, grey and solid waste tanks which allow you to maximize your time between dumping stations. Dual 40-lb. LPG bottles with automatic changeover can be found on select models. Retractable entry steps, a flush mount entry door lock complete with deadbolt and screen door are standard convenient security features.

**Come Home to Nash**
