Sport Utility RVs From the makers of NASH & Arctic Fox

by Northwood
Welcome to all weather fun with the comforts you can enjoy!
The DESERT FOX surv is constructed with the same quality and durability so well known in the NASH and ARCTIC FOX RVs from Northwood. You will find comfortable living space, large cargo areas, attractive and usable decors, large cupboard and storage areas, and very large water tank capacities. See how easily you can open and close the rear door/ramp and see how well it is sealed against dust and water.

Check out some of these other features: Outside speakers to go with your Kenwood stereo system, lots of outside lights, outside shower. Then there is the semi-auto winterization system, black holding tank flush system, optional air conditioner, generator, fuel station with 24 gallon tank and many, many more features to make your playing and camping a memorable experience.

"It just doesn't get any better than this!"
