Arctic Fox

NORTHWOOD MANUFACTURING

northwoodmfg.com
Arctic Fox Fifth Wheels and Travel Trailers capture all of these important considerations in every coach. All of our designs from floor plan to finish, are engineered and detailed with your traveling pleasure and convenience in mind. We know you are going to love the 2005 Arctic Fox!... We invite you to take a look.
Attractive and Off-Road Tough...

Northwood coaches are built to withstand off-road travel and provide you with all the comforts of home. This year's Arctic Foxes are no exception. We are constantly improving our construction methods and upgrading our interior amenities. We've added some exceptional new features to the 2005 Arctic Fox. We understand the importance of building coaches that are insulated for all weather conditions and durable enough for extended cross-country travel. All Foxes have R-18 blanket insulation in the ceiling and R-7 insulation in the walls and floor so you will be protected from extreme temperatures in all seasons. That's why Arctic Fox has earned a Four Season Rating. If you're looking for year 'round comfort, choose Arctic Fox! From frame to finish, you will see the pride of workmanship reflected in our coaches.
Our structural steel chassis is designed for load capacity well beyond the weight of the coach and your belongings. Structural steel chassis frames (C-channel smaller units – "I" beam for super slide models) are engineered for superior strength and structural integrity specific for each model. Our trailers won't sag with age like many other competitors models. Exterior grade plywood floors (not strand board) with plenty of steel cross members in the frame provide superior strength and resilience to the coach.

Rustoleum Brand Finish
Roto-Molded Wheel Skirts
Shocks-All Wheels
Mud Flaps
Chrome Wheels
2,000 LB Tongue Jack

To Build The Best Trailer...

- Structural Steel Chassis
- Additional Welds Create Camber in the Chassis for Greater Load Carrying Capacity
- Welded & Bolted Retractable Stairway
- Dual #30 or #40 LP Tanks
- Welded LP /Battery Rack Sliding Battery Tray on 5th Wheels

start with a Strong Frame...

- Built-In Black Water Flush System (available)
- Diamond Plate Protection (5th Wheel Model Shown)
- Fully Insulated Tank Compartments

add Exceptional Components...

- Extra Large Holding Tanks
- Up to: 77gal Fresh 46gal Black 56gal Gray
- many competitors tanks are less than 1/2 the size!

The straight axles provide extra ground clearance for off-road use and axle placement is engineered to offer the perfect balance for your tow vehicle and we include shock absorbers at every wheel. We use high performance tires with appropriate load ranges for maximum carrying capacity and safety. Retractable non-skid double steps or triple steps and folding, padded safety hand rails, provide safe and easy access.

Comfortable Bedroom Suites with Queen Size Beds (most models)

- Full Wardrobe Slide Out
- Additional Welds Create Camber in the Chassis for Greater Load Carrying Capacity
- Welded & Bolted Retractable Stairway
- Dual #30 or #40 LP Tanks
- Welded LP /Battery Rack Sliding Battery Tray on 5th Wheels

All Northwood coaches have one of the highest highway safety ratings in the industry. Our durable one piece laminated hardwall surfaces are easy to maintain and are resistant to flying road debris, chips and dents. The tough diamond plate rockguard on small travel trailers and diamond plate bumper wrap, are tough, attractive and built to last. Fiberglass front and rear caps come standard on larger Fox models.
Inside the coach, every Fox is equipped with residential style ducted floor heating with metal registers and ducted roof-top air conditioning. We also include an awning, microwave, TV antenna, enclosed & heated holding tanks, black holding tank flush system, DSI gas & electric water heater, tinted windows, spare tire group and much more. Check out the complete list of features and compare the value and we are confident that you will choose Arctic Fox.
Arctic Fox 5th Wheel Floor Plans

Floor Plan Options

- Floor Plan Options
- Twin Bed
- Optional Twin Beds
- Free Standing Dinette
- Available in Select Models
- Booth Dinette & Optional Hide-A-Bed
- Available in all Slide Out Models

Interiors are Available in These Color Palettes:
- Garnet
- Malt
- Sky
**Features and Options**

**Construction**
- Hardwall/Trailer
- One-piece Rubber Roof
- R-7 Insulation in Walls & Roof
- R-18 Insulation In Ceiling
- Northwood Roof Truss System
- Stabilizer Jigs
- 12V Power Jack
- 16" Tire/Wheel/Spare Upgrade
- Chassis Mount Spare

**Chassis, Frame & Suspension**
- High Payload Axles, Tires & Wheels
- Shock Absorbers-all Wheels
- Electric Brakes-All Wheels
- Chrome Wheels, Lug Nuts, Hub Covers
- Rear Mount Spare w/cover
- Stabilizer-Jacks
