Welcome!

Northwood is pleased to introduce the 2009 Arctic Fox Truck Camper. With nine plans to choose from, there is an Arctic Fox to fit the needs of nearly every camper buyer. You can purchase your Fox Camper with confidence because Northwood builds more slide out truck campers than any other manufacturer!

Arctic Fox offers a wide variety of features and options sure to satisfy your truck camper needs. That’s because The Fox was designed with the informed camper purchaser in mind. We invite you to take a close look and you’ll see why Arctic Fox is the camper of choice for the experienced buyer.

Off Road Tough:

Built to withstand off-road use without leaving behind the comforts of home, the Arctic Fox Camper is the most popular full wall slide out truck camper on the market today.
Bigger is Better!

Our full wall slides are up to 26" deep, and our aluminum super structure slide out operates under heavier load conditions than competitors. Our transverse floor structure offers a wider main floor giving a spacious feel that is immediately apparent upon entering the coach. When you compare the specifications of our slide out with the competition, you will see why Arctic Fox continues to be an industry leader.

Clearly The Leader:

Arctic Fox is the leader in slide out truck camper design. Northwood sells more slide out truck campers than all other manufacturers combined!

Model 992 * Granite

The Fox has Bigger Slide-Outs & Bigger Floors!

Consistent 4-Star Rating:

RV Consumer Group has given the Arctic Fox consistent high marks of Value and Reliability.

* Average rating of all models for Value, Reliability, and Highway Control (Independent non-profit rating organization)

Model 865 * Cactus

Form & Function: Interiors that work, beautifully!
Many manufacturers are building aluminum frame truck campers nowadays, but aluminum frames are not all the same. We are proud of the quality materials we use and the construction methods we employ to build America's best-selling full-wall slide-out truck camper. There's no doubt that our Arctic Fox truck campers are attractive, but what really sets us apart from the competition is how beautifully they're constructed. From our heavy-gauge aluminum with continuous welded joints and solid fill anchor blocking, to our bonded full walk-on roof that will support 26 employees, the Arctic Fox Truck Camper is truly a thing of beauty beyond its good looks. Once you've owned an Arctic Fox, you'll never be satisfied with less. That's why we say... “Beauty is more than skin deep!”

**Construction:**

When Northwood advertises a “Full Walk-On Roof” for our slide-out truck campers, you not only can walk everywhere on the roof, but you could also invite a few of your friends to join you! We tested the strength of our full-wall slide 1150 model by filling the roof with 26 of our camper line associates and inviting them to pose for a picture.

Now that's a FULL walk-on roof!

We don't recommend that you invite a football team to a roof party, but isn't it nice to know that your Arctic Fox can handle any 'normal' loading situation?

**We Don't Just Stand Behind Our Campers...**

...We Can Stand On Them Too!

Model 865
Beauty: It’s more than skin deep!

For years, Northwood has been the industry leader in slide out truck campers and this year is no exception! For our 2009 model year, we are introducing the new 865 and 992 models. We will continue to lead the industry in innovative slide out camper engineering.

Like all Arctic Fox Campers, these new 2009 Foxes are durable enough for extended cross-country and off-road travel. We build our slide outs right, using dual ram rack and pinion slide mechanisms. Many competitors rely on a single slide mechanism. The dual rams carry the slide-out room smoothly even under full load weights. Five separate seals insure against water intrusion. The slide room is completely insulated for your comfort in all weather conditions. You have your choice of four beautiful interior decor colors. Feature fabrics enhance the solid oak hardwoods and textured wall boards. We use only commercial grade vinyl floor covering and you also have the option of a removable carpet kit. (Carpet kit not available in the 865, 992 & 1160 model.)

Model 1140
Arctic Fox Truck Camper Floor Plans:

New for 2009 is an 865 non-slide camper. It will be a welcome addition to our lineup of slide-out campers. Also new for 2009 is the 992 Dry Bath, which replaces the 990 Dry Bath camper. Look at the size of its bathroom! Enjoy the luxurious space while camping anywhere you can go!
Arctic Fox Truck Camper Floor Plans Cont'd:

1160 Dry Bath
100 Reasons to Buy an Arctic Fox!

**Construction:**
- Aluminum Superstructure
- .060” - .125” Thick Main Members
- 3-1/2 - 1-1/2 Crowned Roof
- 2lb. Foam Block Insulation
- Full Walk-On Roof
- Transverse Floor / More Floor Space
- Rack and Pinion Slide Out Mechanism
- Continuous 1 Piece Fiberglass Cabover

**Exterior:**
- Large Exterior Access Storage Compartments
- All Metal Latches, Catches, and Pulls
- Automotive Weather Seals Around All Doors
- Dual Battery Compartment w/ Slideout Tray
- Side Wall Diamond Plate Protection
- Outdoor High Pressure Shower
- 4-Way Remote Power Jacks
- Aluminum Dbl. Door Bumper w/ 3 Position Step Mount
- Rear Exterior Speakers
- Large 7x8 Rear Awning
- 5/8” Cast Iron Gas Line
- Black Tank Flush
- Optional Fold Down Overhead Bunk w/ Pad
- High Density Foam Seat Cushions
- Dinette Converts to 43 x 76 Bed
- 26” Deep Slide (Most Models)
- Longer/Wider Dinette Table
- Five seals on Slide-Out
- Under Step Storage
- Under Seat Storage
- Full Wall Slide

**Interior:**
- Side Lights
- 7” Tall Roof Rack
- Rear Light
- Exterior 110 Volt Outlets
- White Frame Torque Windows
- Stand-up 7.5 Gal LP Tanks
- Rain Gutters and Drip Spouts
- Thermal Pane Option
- Stand-up 7.5 Gal LP Tanks
- Exterior 110 Volt Outlets
- Recreational Style Tail Lights
- Large Windows
- Night Shades on All Windows
- Adjustable Heat Vent / Ducts
- Convenient Monitor Panel
- 4 Interior Color Packages
- Oak Trim Accents
- Recessed Lighting
- Lambrick Window Treatments
- Kenwood CD Player w/ 6 Speakers
- Standard Phone Jack and Solar/Satellite Ready
- Power Converter w/ Charger & Charge Wizard
- Wood Face Frame Cabinet Construction w/ Shelves
- ‘FANTASTIC’ Reversible Multi Speed Fan Vent
- Direct Spark Ignition Gas/Electric Hot Water Heater
- Generator Ready (Most Models)
- Generator Transfer Switch
- Cabover Hammers
- TV Antenna
- Oizite Ceiling Liner
- Optional Carpet Kit (most models)
- 2 Fluorescent Lights
- Rheostat Lighting
- 12 Volt Disconnect Switch
- 8 - 110 Volt Outlets (9 in Dry Bath Models)

**Galley:**
- Solid Oak Doors
- Counter Extension
- Microwave
- 6 CU FT. Refer w/ 2 Way-LP/AC
- Auto Select Feature and 9 Temp. Settings
- Large Kitchen Skylight
- Residential Style Faucets
- Single Lever Kitchen Faucet w/ Pullout Sprayer
- 3 Burner Hi-Output Range with 22” Oven (most models)
- Galley Splash Guard
- Slide out pantry
- Anderson Oak Finish Cabinets
- 20 Mil Wear Surface Linoleum
- Metal Ball Bearing Drawer Glides
- Coordinated Bedspread / Shams
- 7” Deluxe Inner Spring Mattress
- Swivel Accent Reading Lights
- Full Wall Wardrobe Option
- Large Wardrobe Cabinet
- Optional Front Window
- Decorative Book Shelf
- Mirrored Closets
- Padded Headboard
- TV Cabinet with:
  - 110 volt Outlet
  - 12 Volt Outlets
  - Park Cable Connection
  - Amplified TV Antenna Hookup
  - 20” Flat Screen TV Option

**Bathroom:**
- Freeze Resistant Waterlines
- Fiberglass Shower Stall
- Vanity Cabinet & Mirror
- Aux Clothes Hanger
- Skylight

**Bedrooms:**
- Optional Fold Down Overhead Bunk w/ Pad
- High Density Foam Seat Cushions
- Dinette Converts to 43 x 76 Bed
- 26” Deep Slide (Most Models)
- Longer/Wider Dinette Table
- Five seals on Slide-Out
- Under Step Storage
- Under Seat Storage
- Full Wall Slide

**Slide-Out:**
- Optional Fold Down Overhead Bunk w/ Pad
- High Density Foam Seat Cushions
- Dinette Converts to 43 x 76 Bed
- 26” Deep Slide (Most Models)
- Longer/Wider Dinette Table
- Five seals on Slide-Out
- Under Step Storage
- Under Seat Storage
- Full Wall Slide
Arctic Fox Camper Safety Tips:

- For your safety while driving, use mirrors that allow you to view past the camper to the rear on both sides. Trucks can be purchased with extended mirror options or you may purchase mirror extensions.
- Truck manufacturers state that you should not exceed the GVRW for the vehicle that carries your camper. The configuration of your truck will determine what size camper your vehicle can carry. A dual rear wheel truck is advisable for Arctic Fox Campers over 10 ft.
- Adjustable air bags will help to level your vehicle transfer rear axle weight forward for comfort and safety and are recommended for all Arctic Fox applications.
- Some states allow passengers to ride in the camper, but it is not recommended as there are no seat belts available.
- When driving in any adverse weather condition it is always best to reduce your speed.
- The pickup should be outfitted with a durable rubber mat liner to reduce shifting while traveling. The mat will also protect the truck bed and camper from scratching while loading and unloading.
- Use TORKLIFT frame mounted camper tie downs for greatest safety.
- We use rigid foam insulation mounted in a fully welded super structure with 100% bonded lamination in all walls, the floor, and the roof.
- The main floor is nearly one foot wider than many other campers.
- Enjoy the huge full wall slide with a 43”x78” Dinette (available in most models)
- Aluminum floor truss / tank support design (see below)
- Aircraft construction = strong and light!

Solid Core Anchor Blocking:
Anchor blocking gives substantial strength at connection points, while adding minimal weight to the frame.

Aluminum Trusses support ALL tanks
- 55 Gal Fresh
- 44 Gal Grey
- 43 Gal Black
A True 4-Season Coach:

Fully Insulated Compartment:

The Arctic Fox is a true 4-Season Coach. Our fully insulated holding tank area circulates warm air around the tanks providing the best protection from freezing. The tanks are large and will hold up to 55 gallons of fresh water capacity, 44 gallons of gray water storage, and up to 43 gallons in the black storage tank. The black holding tank comes with an internal sani-flush system for easy maintenance.

Optional Features:

- Auto-Scan Satellite Dish
- Flat Panel TV
- Combo Antenna / Satellite Dish
- Solar Panels (50 & 100 watt)
- Full Wall Wardrobe Cabinet
- Front Window / Diamond Plate on Cab Cover

Standard Features:

- New Joey Tray Shown Diamond Plate Kick Panels
- Storage in Bumper w/ Locking Doors at Both Ends
- Curtain folding wall is standard in all Arctic Fox Campers
- Dual or Multi Ram Rack & Pinion Slide Assembly (slide models)
- Dual LPG Tanks with Auto Change-over Regulator
- Quick Connect LPG Hook-up For Barbeque and other Exterior Appliances
- Sliding Dual Battery Tray holds two Group 29 Batteries, 420 Amp Capacity
- Sliding Pull Out Pantry
- Cable, Phone & Satellite Ready (all models)
- Full Pressure Hot/Cold Exterior Sprayer
- Skylight with Shade
- Extra Large 7'x8’ Rear Awning (all models)
- 12 Volt Exterior Lighting at Patio w/ Interior Switch
- Control Center:
  - Monitor Panel (Holding Tanks & Batteries)
  - Generator Panel (optional - not pictured)
  - AM/FM CD/DVD (CD/DVD optional)
  - Solar Panel Monitor (optional - not pictured)
