CERTIFIED Off-Road Chassis

We are one of the few manufacturers who build their own chassis. The name NORTHWOOD is known throughout the industry for quality chassis and we certify ours through an independent testing lab.

Solid Core Anchor Blocking

Utilizing Every Thread

At all critical anchor points, we include solid fill anchor blocking so all the threads of the fasteners anchor securely and completely.

ELECTRICAL FEATURES

LED Lighting & Surge Tests

You will find energy efficient LED utility lighting both inside. Additionally, our 110V systems are surge tested multiple times with 1080 volts and the 12V systems are surge tested with 600 volts.
